Eligibility requirements: (1) The student is a junior or senior. (2) The student's weighted high school GPA is at least 3.0 **or** the high school has approved the student for a GPA Waiver; a copy of the form must be on file at MCC. (3) The student must have met all prerequisites for courses in the pathway.
GPA Waiver form on file at MCC? Yes No

College Transfer Pathways and Eligibility Requirements

Pathway leading to Associate in Arts (P1012C) Associate in Engineering (P1012C) Associate in Science (P1042C)

Eligibility requirements: (1) The student is a junior or senior. (2) The student's weighted high school GPA is at least 3.0 or at least 3.5 if Provisional Status is requested. (3) The student has demonstrated college readiness on assessment/placement tests in English, reading, **and** math.

An official or school reproduced score report must accompany this eligibility form unless a score report has previously been submitted.

Circle the readiness benchmark(s) reached and attach test scores. If the student took NC DAP tests at MCC, MCC will provide the score report.

To place directly into MAT 271, a student must have met at least 1 of the following criteria within the past 5 years:
 1. A score of 2 or higher on the AP Calculus AB Exam. 2. A grade of C or higher in an AP Calculus course and an unweighted HS GPA of 3.0 or higher. 3. A score of 90 or higher on the ACCUPLACER College-Level Math (CLM) test. 4. A score of 46 or higher on the trigonometry section of the ACT Compass Math Placement Test. 5. A score of 580 or higher on the old (prior to March 2016) SAT Math and a grade of C or higher in the North Carolina Standard Course of Study Pre-Calculus course or an equivalent course from another state. 6. A score of 600 or higher on the new (March 2016 and beyond) SAT Math and a grade of C or higher in the North Carolina Standard Course of Study Pre-Calculus course or an equivalent course from another state. 7. A score of 27 or higher on the ACT Math and a grade of C or higher in the North Carolina Standard Course of Study Pre-Calculus course or an equivalent course from another state. 8. A score of 560 or higher on the SAT Subject Test in Mathematics Level 2.

If the student does not meet college readiness requirements and is applying for Provisional Status, complete the other side of this form.

By signing this form, I verify that the information provided is accurate and this student meets the requirements for admission into the CCP pathway indicated above. I agree to notify MCC if the student fails to continue to meet the eligibility requirements for continued participation in the CCP program.

Career & College Promise College Transfer Pathway Provisional Status Request

A high school junior or senior who does not demonstrate college readiness on an approved assessment or placement test may be provisionally enrolled in a College Transfer pathway. To qualify for provisional status, a student must meet the following criteria.

- a. Have a cumulative weighted GPA of at least 3.5 on high school courses;
- b. Have completed two years of high school English with a grade of "C" or higher;
- c. Have completed high school Algebra II or Math III (or a higher level math) with a grade of "C" or higher;
- d. Obtain the written approval of the high school principal or his/her designee; and
- e. Obtain the written approval of MCC's VP of Instruction or VP of Student Services.

Students who meet the provisional acceptance requirements listed above may do the following.

- a. They may enroll in English and/or mathematics courses in a college transfer pathway as provisional students without placement or other testing.
- b. Provisional students who successfully complete ENG 111 with a "C" or higher can enroll in ENG 112.
- c. Provisional students in the Associate in Science pathway who successfully complete MAT 171 with a "C" or higher can enroll in MAT 172.
- d. Provisional students may register only for college mathematics (MAT) and college English (ENG) courses within the chosen pathway.
- e. Provisional students cannot enroll in any additional courses in the pathway until they are no longer considered provisional.
- f. In order to no longer be considered provisional, the student must successfully complete the first mathematics and English course in the pathway with a grade of "C" or higher or demonstrate college readiness on an approved assessment or placement test as listed on the other side of this form.
- g. Once a student completes the requirements to no longer be considered provisional and with approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, the student may enroll in both a College Transfer Pathway and a Career Technical Education Pathway.

Provisional Status requirements:

- 1. The student is a junior or senior.
- 2. The student's GPA is _____. **A minimum cumulative weighted GPA of at least 3.5 is required.**
- 3. The student has completed (or will complete prior to the start of the college semester indicated on this form)
 - _____ Two years of high school English with a grade of "C" or higher
 - _____ High school Algebra II or Math III (or a higher level math) with a grade of "C" or higher

Provisional Status approved? Yes No
