On September 7, 1967 the State Board of Education issued a charter to Montgomery Technical Institute to offer post-secondary educational opportunities to the citizens of Montgomery County.

To celebrate the college’s 50th anniversary, long-time college benefactors Arron and Gelynda Capel donated a commemorative bell to be placed near center campus as a symbol of the college’s enduring legacy as a center of learning and opportunity.

Montgomery Community College Foundation would like to extend an invitation to the community to be a part of this legacy by purchasing engraved bricks which will be installed as part of the bell’s base.

These bricks will honor loved ones, or stand as your tribute to the enduring mission of Montgomery Community College to provide quality educational opportunities to all who enter its open doors.

Honor graduates, family members, friends, or commemorate a special event or memory in a unique and lasting way. Laser engraved bricks will become a permanent part of the Montgomery Community College campus.
