

# How to Access Your Course in Blackboard

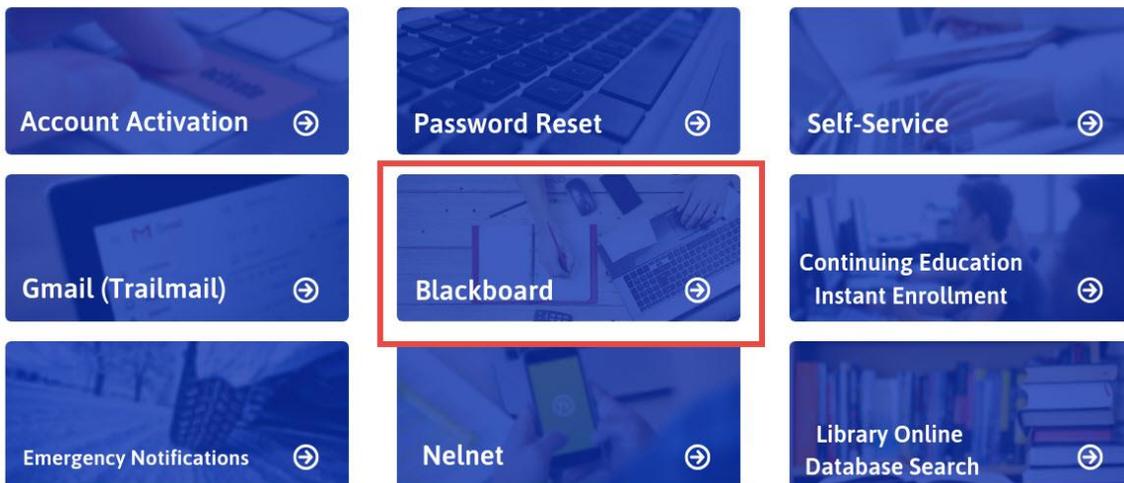

1. Open a web browser (such as Chrome or Firefox) and go to montgomery.edu. Click the MCCTechTrail link as shown below.

2. Now choose the Blackboard button in the middle of the screen.

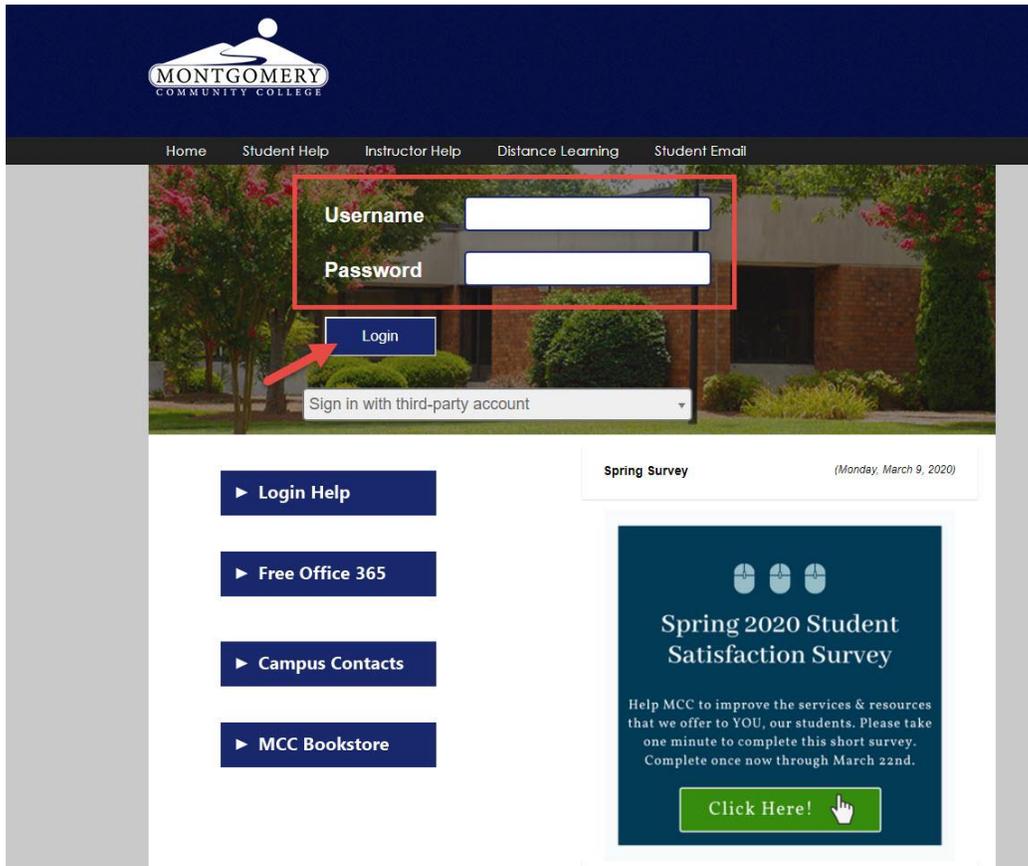

## MCC TechTrail

To access these services you need your MCC username and password. If you do not know your username, password, or 7 digit Student ID number, click the account activation button below to get started.

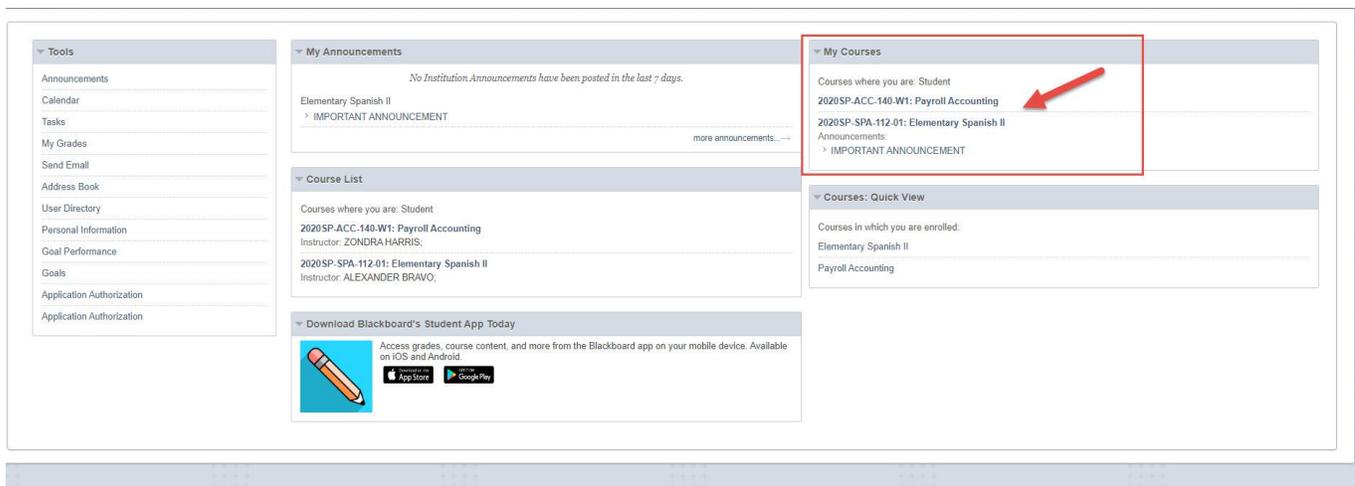

3. Enter your MCC username/password credentials in the boxes and click Login. *Note: If you have never setup your password, go back to MCCTechTrail and follow the instructions under Account Activation.*

If you have issues setting up your password or finding your username, send an email to [studenthelp@montgomery.edu](mailto:studenthelp@montgomery.edu)

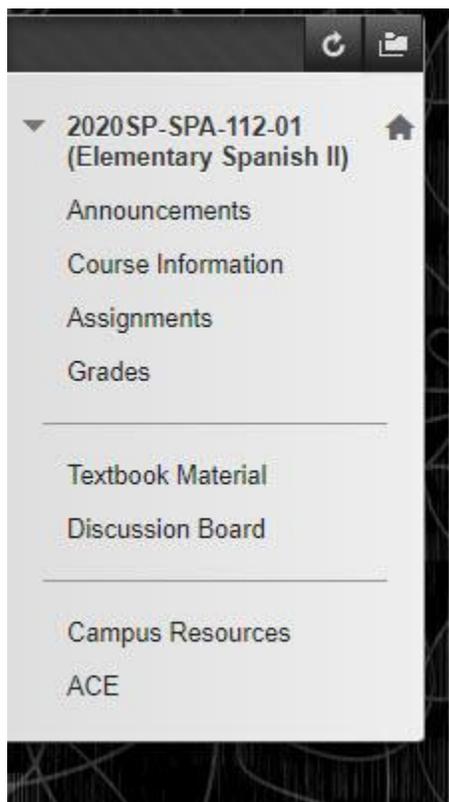

4. Once you have logged in, you should see a screen similar to below with your courses listed on the right side.

5. Click the course name to enter the course.
6. Each course will have a menu that looks similar to the image below. Be sure to read the **Announcements**. Click the **Course Information** link to find info on how to contact your Instructor. Click the **Assignments** link to access the course content and assignments.

**If you have any questions about what you are supposed to do, be sure to contact your instructor!**

7. If you have more than one course in Blackboard, you can use the Global Navigation menu (click your name at the top right corner of Blackboard) to move between courses.
