COMPLAINTS AGAINST INSTITUTIONS: INFORMATION SHEET AND FORM

The following is intended to provide information to persons wishing to file a complaint about an institution accredited by the Commission on Colleges. Before filing a complaint, please read the Commission policy "Complaint Procedures for the Commission or Its Accredited Institutions"—see www.sacscoc.org. The Commission reviews complaints submitted by students, faculty, and other members of the public about its member institutions. This information helps the Commission assure that an institution continues to meet the standards of accreditation set by the membership. Procedures have been established, therefore, to provide a mechanism for the Commission to consider complaints that address significant violations of the Commission's standards.

All institutions accredited by the Commission on Colleges are required to have in place adequate procedures for addressing complaints by students, employees, and others. As outlined in the complaint policy, it is the responsibility of the complainant first to attempt to resolve the matter with the institution. The complainant is responsible for providing evidence that all remedies available at the institution have been exhausted. In order to file a complaint with the Commission on Colleges, the complainant must describe these efforts on the complaint form.

How to File a Complaint Against an Institution Accredited by the Commission On Colleges

Please use the attached complaint form to submit a formal complaint. You must complete all applicable sections of this form before the complaint will be reviewed. It must be submitted in hard copy, not electronically nor through facsimile transmission. Precisely state the complaint using three sentences or less. Provide the details that support your complaint. Give a description of the steps that were taken to exhaust the institution's grievance or complaint process. For both responses, you may attach additional sheets of paper if you need more space. Include with the form copies of any documents that pertain to your complaint. Please submit two copies of the form and the attachments.

Please refer to the attached Commission policy for a description of the process for reviewing complaints.
